THAT INHIBIT GROWTH AND METASTASIS OF HUMAN TUMOR CELLS BY
BLOCKING ANGIOGENESIS

REQUEST FOR WITHDRAWAL OF ABANDONMENT

Assistant Commissioner for Patents
Washington, D.C. 20231

Sir:

Applicant respectfully requests that the Abandonment of the above-identified application be withdrawn as the Notification of Missing Requirements mailed January 4, 2002 was never received by Applicant's Attorney. Applicant's attorney confirmed that the Notification of Missing Requirements, mailed on January 4, 2002, was never received.

In accordance with MPEP §711.03(c)-II, and 1156 O.G. 53, November 16, 1993, the undersigned states that the Notification of Missing Requirements was not received and attests that a search of the file jacket and the docket records indicates that the Notification of Missing Requirements was not received. A copy of the docket records at which the Notification of Missing Requirements would have been entered, and thereby docketed for response, is attached hereto, including a Daily Docket report showing all replies received and docketed for March 4, 2002 and a second docket report showing all replies received with a USPTO mailing date of January 4, 2002.

Clearly, there is no record of receipt of a Notification of Missing Requirements mailed January 4, 2002 or of a response due on March 4, 2002 on the docket report, for the subject docket no. 1546.1004 or serial no. 09/913,956.

In view of the foregoing, the Applicant respectfully requests remailing of the Notification of Missing Requirements of January 4, 2002, and setting of a new two-month statutory period for response.

Although we do not believe there are fees associated with this Communication, if any fees are required, please charge same to our Deposit Account No. 19-3935.

Respectfully submitted,

STAAS & HALSEY LLP
